

Dear Potential Donor,

Opus1 is a contemporary dance company founded in 1991, and based in Broomall, PA. It is small company that provides dancers an outlet of creative and innovative dance to be shared with the Philadelphia metropolitan area.

As a register non-profit 501 (c)(3) charity organization, we are asking for a donation in order to provide necessary funds needed to continue the works that this company creates.

In order to ensure that Opus1 and its outstanding dancers have the opportunity to perform yearly at local performance venues, we have established the Opus1 contribution account. The money donated to Opus1 will go directly to the costs of using performance facilities, costuming, and other miscellaneous expenses that are incurred in order to perform.

Our goal is to increase recognition and interest in Opus1 Contemporary Dance Company. We hope to accomplish this through increased exposure in performances and venue locations. However, we need help to reach this goal. We cannot undertake this task without the help of our former donors as well as interested new ones.

We would very much like to obtain several corporate sponsors, and in return, we will be willing to advertise your company in our brochure, on our website, and in each concert program.

We have several types of donor levels. They include:

- Friend \$25-\$99
- Contributor \$100-\$249
- Patron \$250-499
- Benefactor \$500-\$999
- Dancers Circle \$1,000-\$4,999
- Choreographers Circle \$5,000+

All donations are greatly appreciated and are tax deductible as allowed by current U.S. laws and regulations.

If you are interested, please send your contribution along with the contribution form (attached) to:
